- ✚ **MATHS LAB.**
- ✚ **ORANGE COLOUR ACTIVITY**
- ✚ **FUN LEARNING**
- ✚ **SPORTS ACTIVITY**
- ✚ **PRE PRIMARY PICNIC**
- ✚ **AWARENESS CAMPAIGN**

+ STAR AWARD

Rewards motivate kids to accomplish goals and develop good habits. Kids love to receive a star as a reward for the work done and good conduct.

+ SCIENCE EXPERIMENT

Students of primary classes enjoy doing science experiment. It is a superb way for teacher to explain different science concepts to their students. Students of grade VI to VIII learned about the science concepts by experimenting.

+ MATHS LAB.

Mathematics laboratory as a concept is an effective tool in the hands of a teacher to illustrate to the students that they can construct all mathematical knowledge with their own hands, enabling a smooth transition to abstract thinking capabilities. Teachers and students performed Mathematics laboratory activities and made mathematics teaching-learning process a joyful one.

+ ORANGE COLOUR ACTIVITY

Colors are one of the most fun preschool topics to explore! Kids explored the world of the orange color by doing various orange color activities. Little kiddos look up for orange color in the world around them.

+ FUN LEARNING

Children have fun creating animals. Kids taught by hundreds of fun and unique ideas. It includes circle time, group activities, craft projects and flash cards.

+ SPORTS ACTIVITY

Being active is a key component of good health for all school-age kids. Kids participate and learn about sports. Different children are good at and enjoy different activities.

+ PRE PRIMARY PICNIC

Pre primary kids visited river bank for picnic. Kids enjoyed making small mud balls.

+ Awareness campaign

On November 19, SFORD faculties visited various villages to develop awareness among villagers about 'Importance of Education in our Life'. Faculties asked the guardians about the reasons of irregular presence of children in school. The guidance and suggestions given to villagers to overcome various issues related to short attendance of kids. Hard work pays off. There is an increment in school attendees.
