School bells are ringing loud and clear; vacation's over, school is here. In the month of march, staff along with students get ready to welcome new academic year with full enthusiasm and joy. Our new academic year started with the hopes in heart to make learning more fun. After the preparation, our teachers welcome kids with the additional activities that kids enjoyed a lot.

### Result declaration

In the month of March the results were declared. We appreciated kids for their best efforts. We are glad to announce that 8th Board Result of Sford Academy was 100% It was the time to promote kids for next classes.

### Summer Camp

Sford kids attained a new dimension of fun and learning during camp. A wide range of educational games, communication activities and entertainment games for kids made the summer time super cool. Kids participated in all activities with great enthusiasm. Various activities included:

1. *Entertainment Games- Carrom Board, Ludo & Snake Ladder*
2. *Communication Activities- Speak five lines on your favourite animal, About me, News Telecast & Reading Newspaper*
3. *Indoor Educational Games- English Language Programme, Maths Games, Maths Lab. Activities*

## Holi Dhoom

Holi is the festival of colors. It is the time to celebrate various shades of life. Sford kids celebrated the festival with educational activities. Pre primary kids did palm painting on chart. With the palm painting they created various figures of animals.

During the cultural program, students performed rajasthani folk dance on 'Holiya mein udo re gulal' & cute little children dance along with 'dil hai chhota sa'

Primary students participated in Rangoli making activity to sprinkle colors in beautiful motifs and traditional rangoli designs

Story about the son of King Hiranyakashyap (thought to be a demon king), Prahlad is told at Holi

Everyone at Sford campus shared the happiness and love among themselves by applying organic colors to each other.

## Hanuman Jyanti

Lord Hanuman is the only deity that cannot be troubled by negative energies. On the occasion of Hanuman Jayanti, kids recited Hanuman Chalisa with teachers.

## Poem Recitation Competition

Cute rhyming tots recited their favorite poem on stage. 'Rolly Polly', 'Wash an Apple', 'Chandaa Mama Door Ke', 'Udi Patang' and much more

## Letter 'F' Activity

Toddlers explored fun and educational letter 'F' activity. In the playground one of each student collected twigs for completing activity. They arranged twigs in form of letter 'F'. Some students also tried to create other standing line alphabet.

## Creative Number Activity

*It is always fun to learn numbers. Holding crayons and writing the random numbers enhanced the memory and motor coordination of children. Pre primary kids sharpen their mathematical skills by scribbling numbers on worksheet.*
