The highlights of new activities introduced and celebrations coverage are cited below

SCHOOL RE-OPENING (ICE CREAM PARTY)

Sford welcome kids with sweet and chill ice- cream. Kids celebrated the first day of school. All the kids enjoyed yummy ice cream.

INTERNATIONAL YOGA DAY

Joy of Yoga

On the occasion of 'International Yoga Day' kids experienced healing touch of Yoga. The Yoga session conducted to create awareness about importance of yoga in both physical and mental development.

CHART- BIGGER/ SMALLER

Grade 1st students draw a chart to understand the concept of big and small. With the help of this chart they learned to differentiate different things on the basis of size.

SAND PLAY

During the sand play session kids recall the number of the day. They mark the numbers they had learned in the classrooms. It is a revision based learning activity.

FAREWELL

Farewell was given to Mr. Nirmal Singh and Mr. Surendra Singh. They both were honoured for their commendable contribution of hard work in Sford.

STUFF TOYS ACTIVITY

Pre primary kids stuff their favorite birds made by using cloth material. Kids enjoyed stuffing their toys. This activity is important with the aspect of developing proper grip in toddlers.

NUMBER CARD ACTIVITY

Teaching addition, subtraction and counting with number cards is always fun for kids. Kids learned the basic concepts of Maths through such activities.

SCIENCE EXPERIMENT

Students of primary classes explore the science world by doing practical and experiments. Science helps to answers all those curious questions about things around us.

THANKS
